

## DELIVERY OPTIONS

1. Do you require dock to dock delivery (this option used if dock is available then truck will just load pallet onto dock)  
**Store is responsible for removal of unit off pallet and placement of unit inside store.**
2. If no dock, do you require tailgate? (this allows driver to remove pallet from truck but will place at front of door of location)  
**Store is responsible for removal of unit off pallet and placement of unit inside store.**
3. If store wants pallet rolled inside store, then **tailgate and inside delivery** needs to be requested. Please advise of any items that driver should know about. Elevator required, stairs, etc.  
**Store is responsible for removal of unit off pallet and placement of unit inside store.**
4. If store requires full service carry in, unpacking and placement, then **WHITE GLOVE DELIVERY** is required. Please advise of any items that driver should know about. Elevator required, stairs, etc.  
**This is the most expensive option. We can rate this prior to approval from you.**

**NOTE: IF AN APPOINTMENT ON DELIVERY IS REQUIRED FOR ANY OF THESE OPTIONS. PLEASE MENTION AND WE WILL ADD IT ON TO SERVICE**
