

# Hazardous Drugs

## Spill Kit

### Directions For Use:

1. Put on PPE:  
Disposable Gloves,  
Gown, Shoe Covers,  
and Safety Shield.

2. Sprinkle Green-Z®  
over spill evenly and  
allow liquid to congeal  
for safe handling.

3. Remove collected  
material with Scoop  
and Scraper and place  
in Yellow Waste Bag.

4. Wipe up any  
residue left behind  
with supplied Wiper  
Pads. Clean area  
with surface wipe  
or disinfectant.

5. Remove PPE and  
place all contaminated  
materials into Yellow  
Waste Bag. Seal bag  
with supplied Twist Tie.

6. Fill out Identification  
Tag and attach. Dispose  
of bag in accordance  
with local, state, and  
federal regulations.
