Pre-printed Flag Labels, High Alert Double Check | 17437

- Convenient - Preprinted messages solve small product labeling needs and help prevent medication errors.
- Error Prevention - Flag receipt can either fold over to create an easy-to-read, double-sided label or the receipt can be removed at the perforation and applied to charts, records and packaging for traceability and accountability.
- Stays Put - Adhesive back portion wraps around the container; aggressive adhesive ensures label will remain on the container.
- Maintain Visibility - Clear middle on labels will not interfere with markings or graduations.
- Quantity - 2,000 labels per package
- Dimensions - 3⅞"W x ¾"H

New label tool!

Maximize Efficiency Using Our Free Online Label Printing Solution

Laser print each side of the label with multiple lines of matching text and barcodes or print separate information on each side to provide complete patient and drug identification information. Our easy-to-use labeling solution saves label set up and design time and allows for horizontal or vertical print depending on application and label placement.
